**As we step into a new year, we look forward to reconnecting as a branch and welcoming both familiar and new faces into our shared work.**

**In 2026, the AAUW Las Vegas Branch is prioritizing connection, collaboration, and community. We are committed to strengthening our committees, expanding partnerships with UNLV, other local universities, sister AAUW branches, and community allies, and creating more opportunities for members to engage in ways that feel meaningful and energizing.**

**A key focus this year is getting to know one another more deeply. Through our monthly luncheons, happy hours, and member gatherings, we will intentionally create space to learn about the talents, experiences, and passions each member brings. Every member has something valuable to offer, and building these relationships strengthens both our branch and our collective impact.**

**We are excited to welcome dynamic speakers and fresh programming throughout the year, while also exploring new fundraising ideas to support AAUW's mission of equity and education for women and girls. We invite you to bring your ideas, curiosity, and voice as we move forward together.**

**Keep an eye on your email for Action Alerts, events from our collaborators, last-minute updates, and other information. We'll be in touch soon!**

## Happy New Year! It's Election Season in Nevada

As we ring in the new year, Nevada is also heading into a major election cycle. The 2026 elections will bring important races, new voting procedures, and potential changes shaped by the U.S. Supreme Court. Here's what voters should know—and do—now.

### What's on the Ballot in 2026

Nevadans will see several high-profile races this year:

- Governor
- Attorney General
- All four U.S. House of Representatives seats

There is no U.S. Senate race this cycle.

Campaign filings officially open March 2, 2026, marking the start of a busy political season.

### What to Watch Closely

A pending decision from the U.S. Supreme Court could significantly affect how elections are administered in Nevada and other states.

In *Watson v. Republican National Committee*, the Court is considering whether states may continue counting mail ballots that are cast by Election Day but received afterward. Currently in Nevada:

- Ballots without a postmark may be counted up to three days after Election Day
- Ballots with a postmark may be counted up to four days after Election Day

A ruling—expected by June 2026—could impact mail-in voting rules for the upcoming midterm elections.

### What's Different This Year

Clark County has introduced a new voting process that adds paper ballot verification:

- Voters will check in and vote using the same machines as before
- After making selections, voters will receive a printed paper ballot to review
- The ballot is then submitted into new tabulators

According to Clark County, this three-step process makes it easier for voters to confirm their choices. The paper records are securely stored and can be used for audits or recounts, aligning with statewide security standards and national best practices.

## Sign Up to Be a Poll Worker

Poll workers play a vital role in protecting the integrity of elections and ensuring every voter can participate.

### Who can serve?

- Registered Nevada voters
- Age 18+, or 16+ if enrolled in high school
- Not a candidate (or closely related to one)
- Completion of required training (NRS 293.217)

### Responsibilities include:

- Setting up and closing polling locations
- Verifying voter eligibility
- Assisting voters
- Protecting ballots and equipment
- Be prepared for long days—sometimes up to 14 hours.

## Check Your Mail—and Your Voter Status

The Nevada Secretary of State's Office is mailing a postcard to every active registered voter with key election dates and a voter checklist.

### Your 2026 Voter Checklist:

- Update your registration at [VOTE.NV.gov](https://vote.nv.gov)
- Ensure your ID is current
- Rely on trusted sources: [NVSOS.gov](https://nvsos.gov) , your County Clerk, or Registrar
- Make a voting plan: research candidates and decide how you'll vote

Official election mail will always include the “**Official Election Mail**” logo.

Staying informed and engaged is one of the most powerful ways to protect our democracy—start now!

### **Membership Renewals**

Membership renewals now occur throughout the year. While most of our branch members have June 30 membership expiration dates, our newer members may have a membership renewal date that occurs in a different month. The Membership Directory included each member's renewal dates this year.

You should receive an email notice from AAUW regarding renewing your membership. There will be a link to renew, using a credit card, or you may still send a check to our treasurer, Letti Dowell (see Letti's address below).

Members will begin receiving renewal notices approximately one month prior to their renewal date and will continue to receive them through the grace period, which is three months after the renewal date or until the member renews their membership. After the three-month grace period, members that have not renewed their membership are dropped from the membership.

Membership dues remain at \$100 for branch members, \$18.81 for student affiliate members and \$17 for Honorary Life Members.

Honorary Life Members should send their membership dues of \$17 to Letti Dowell, Treasurer. Renewing members may also send a check to Letti to renew their membership. Letti's address is: 9633 Gavin Stone Ave., Las Vegas, NV 89145.
